From Your Pastor

Jesus paid close attention to the way the religious leaders of his day prayed. He observed that some loved to stand on the street corners and pray so that others might see them. He noticed that some heaped up empty phrases hoping their many words would be impressive.

Then Jesus reminded his followers that God knows what they need even before they ask. He taught them a simple way to pray. We find his instructions in Matthew 6 and refer to this as the Lord's Prayer.

Recently a friend shared a book of Mary Oliver's poetry with me. I was touched by one of her poems that portrays the simplicity of prayer.

Praying

It doesn't have to be
the blue iris, it could be
weeds in a vacant lot, or a few
small stones; just pay attention, then patch

a few words together and don't try
to make them elaborate, this isn't
a contest but the doorway

into thanks, and a silence in which
another voice may speak.

Blessings,
Ande
